About Us

Since 1968, Philadelphia Boys Choir & Chorale has provided the finest musical education and performing experience for ensembles of its genre in the Greater Philadelphia area. Though our style has been emulated by many, none can top the beautiful and unique sound our boys create. Every week in rehearsal, boys interact and connect with each other from all over the Tri-State region, allowing them to learn from one another through friendships they might not otherwise find. The opportunities for travel and concerts around the world help our Choir members build character in a safe and constructive environment. In 2012, the organization created the Philadelphia Girls Choir to offer the same level of musical education to all children in the area.

Philadelphia Boys Choir & Chorale is a Pennsylvania not-for-profit corporation organized under Section 501(c) (3) of the IRC.
